3. Start the Assessment

- Once the assessment is open, click Start to begin the timed assessment.

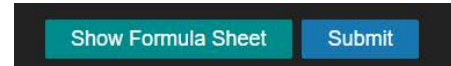

- The assessment item number and timer are displayed at the top right of the screen
- Click Next to navigate to the next question. You can skip a question and navigate back to it later by clicking the item number.

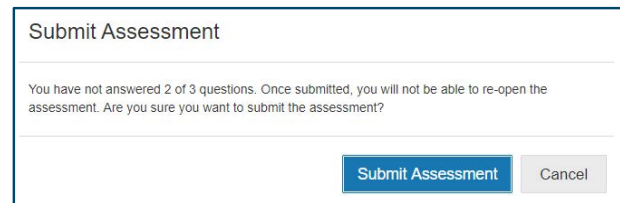

- The Accessibility icon  provides options to change the color scheme, font size, and zoom.
- The Calculator icon  is a basic four-function calculator. It is only available in the math assessment.
- The Response Masking icon  allows you to cross out options you are confident are incorrect to help identify the correct answer.
- The Full Screen icon  will expand the assessment to focus only on the question.

4. Submit the Assessment

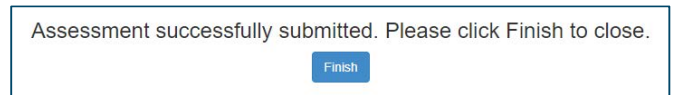

- Click Submit at the top right of the corner to finish the assessment and receive your score.

- If there are questions unanswered, a pop-up message will ask if you are sure you want to submit the assessment with unanswered questions.

- After you submit, you will be notified the assessment was successfully submitted. Please click Finish to close.

5. Check Your Score

- Hover over Reports from the top menu and select Individual.
